**Planning Session for Community Meeting About
Neighborhood Safety**

Goals and Objectives of the Meeting

Goal: Develop a method so our safety officers and neighbors can work together to help protect our area.

Goal: Distribute current contact numbers for public safety agencies and neighbors to contact each other.

Goal: Describe what is working in our community that is helping keep it safe.

Goal: Compose a letter to elected officials of the County Board of Supervisors and The City of San Jose Council members to address the concerns of our this community meeting.

Objective: Listen to safety officials and community member's concerns about park and neighborhood drug dealing, late night activity, and home break-ins.

Objective: Listen to safety officials and community members discuss communication problems about reporting their observations.

Objective: Listen to safety officials' and community members' suggestions on how to improve communication and safety agencies action to follow up on their reports.
